

DISINFECTION SANI SPRAY®

automatic hand sanitizer dispenser

CHARACTERISTICS

Sani Spray is an automatic nebulizer of liquid for disinfecting your hands. The nebulization takes place without any contact between your hand and third object, avoiding the eventual possibility of infection.

Placing the hands close to the photoelectric cell, the machine will spray the right amount of product for the disinfection.

Sani Spray can be used in many contexts: restaurants, bars, pizzerias, hotels, food stores, butcheries, toilets hospitals, medical or veterinary studios, hanged on the wall or placed on its base in painted aluminum.

- Tank capacity: 300 ml
- 3 different spray setting
- Batteries allows 6.000 erogation
- Support in metal (sold separatly)

POWER SUPPLY

4 AA batteries
